New England Lyman Group

Lyman

MODEL _____

YEAR _____

OWNER _____

CITY _____ **STATE** _____

COMMENTS _____

Just like past years, we are going to run an early registration process where you only have to send Rick your card information without any money. The pre-printed cards are so much nicer and easier to read. If you think you are going to be there, please view the sample card in this article and send Rick your information for the registration card. The box in the lower right corner is the boat number we will assign as the registrations come in. In the Comments section, you can use the space to write anything noteworthy you would like to add to your card. If it's a family heirloom, one owner boat, engine information, or even if it's for sale just let Rick know. Please try to keep it brief though.

Send your info to:

Rick Filiau
431 Micol Road
Pembroke, NH 03275
